BrainScope Company, Inc Presentation

Major Points Discussed

Dr. Lo stated that for EMRA mentor/mentee program, there were 23 mentors and 25 mentees this year. Overall, it was felt to be successful as the program entered the 2nd year. He said that EMRA would like to continue with this program and is looking to make it more engaging. The expectations are to create new guidelines and ideas on how to evolve the program. Will be looking for volunteers soon to continue this program.

It was announced that the Water Cooler sessions on the first Wednesday of every month will continue and please feel free to join because they are a lot of fun.

The council update for this section is that they are waiting for final resolutions and when they are finalized they will be sent out to the group.

Dr. Lo discussed setting potential goals this section. These include Polling questions, Subsection creations, and Education/ Webinars.

Some ideas from members include the sharing information on establishing an observation unit and collaborating with other sections.

The Section Election Results were announced and the new leadership team for 2023-2025 is:

Dr. Wesley Zeger – Chair Elect/Alternate Councilor

Dr. Daniel Bickley - Secretary

The longevity Longevity Awards were announced. Congratulations to Jeremy Sperling, MD - 5 years, Betty Chang, MD, MHA, FACEP - 10 years, Bruce Lo, MD, MBA - 15 years, Ronald Strony, MD, FACEP - 15 years

David Riggs gave his Brainscope Presentation

Tony Cirrillo's update from board perspective, emphasizing ACEP being home to ED physicians. He also explained how resolutions work as well as the new ACEP ED accreditation. Final criteria will be available soon with encouragement for feedback.

With no more business to discuss, the business meeting was adjourned and a reception followed.
