Click the green Portal button on the E-QUAL homepage to enter the E-QUAL Portal.
If you have any additional questions, please contact the E-QUAL team at equal@acep.org.

The American College of Emergency Physicians (ACEP) seeks EDs in rural and underserved areas to join the Emergency Quality Network (E-QUAL) and the Clinical Emergency Data Registry (CEDR) for 2019. ACEP seeks to maximize the success of your quality improvement project and help your ED build critical data access and capacity.

The award is a one-time lump sum of \$4,000 that will be used to cover the technical assistance of CEDR costs for 2019.

Applications must be submitted by the deadline to [Nalani Tarrant, Senior Project Manager](#). Please note that grants are awarded on a **first come, first serve basis**. If you have any questions, please contact the [E-QUAL team](#).

Submission Deadline: Monday, December, 31 2018

Quality Tip of the Month

"Intravenous acetaminophen might be considered for pain control in the ED on case-by-case basis when PO/PR routes are contraindicated, other analgesics are not tolerable, patients have high risk of developing opioid and NSAID's-related adverse effects, and when multimodal analgesia is desired."

*- Sergey Motov, MD
Maimonides Medical Center*

Interested in providing Quality Tips from your experiences?
Your tip will be highlighted and credited to you, as shown above.
