The NP field is the fastest-growing occupation according to the US Bureau of Labor Statistics, which projects that employment will grow by 46% between 2021 and 2031 with an additional 112,700 NP jobs expected to be added over the next decade. The NP profession grew by 9% between 2021 and 2022 with 355,000 NPs currently in practice, Dr Kapu said.

## On Average, 18% of Emergency Department Visits Result in at Least One Surprise Medical Bill

- 0-10%
- 11-20%
- 21-30%
- 31% or more
- Insufficient data

\* These nine states have enacted comprehensive laws to address surprise bills, but the issue persists in these states since the majority of people with private insurance are covered by plans that can only be regulated at the federal level.
