Major Points Discussed

Dr. Lo welcomed everyone to the meeting and provided an update from the Council meeting, which was held for two days just prior to the section meeting. Dr. Lo also introduced the section officers. Dr. Lo discussed projects over the past year as well as feedback going forward.

Following the introductions, Dr. Lo announced the recipients of the section's longevity awards. This year's recipients are William B. Felegi, DO, FACEP, 5 years; Deepak Vatti, MD, FACEP, 5 years; Carl A. Piel, Jr., DO, FACEP, 10 years.

Dr. Lo then introduced Elsevier, which was the sponsor for this year's section meeting. They presented information on their AI product and answered questions from the audience.

Dr. Lo introduced Dr. Keay as the newly elected ACEP board member. Dr. Keay gave a brief introduction and update. Dr. Lo also introduced Dr. Cirillo, newly elected ACEP president-elect.

Unfortunately, Dr. Gausche-Hill, chair of ACEP's new emergency department accreditation program, was unable to attend and provide an update on the program's status.

With no more business to discuss, the meeting was adjourned, so attendees could attend the Section Crawl.
